

### Seismic Air Terminal Base

#### DESCRIPTION

- Mechanically fastened and sealed air terminal base
- For applications with seismic or other displacement resistance requirement
- Part number logic below

#### Seismic Horizontal Base

Part No.	Material	Internal Thread
SCUBH38"x"	Copper	3/8"
SAUBH12"x"	Aluminum	1/2"
SCUBH12"x"	Copper	1/2"
SAUBH58"x"	Aluminum	5/8"
SCUBH58"x"	Copper	5/8"

Example SAUBU12C - Aluminum 1/2" base for PVC single ply

A = EPDM single ply

B = KEE single ply

C = PVC single ply

D = TPO single ply
